

Stripping, Scrubbing, Carpet Care

The Hawk Glide machines deliver up to twice the performance and superior safety over traditional floor machines. Our unique "Floating Head" handle carriage design provides 100% contact with the floor and steers the Glide in forward and backward movement - unlike the side-to-side movements of traditional rotary machines.

The XHD model is designed for the toughest tasks with 11:1 industrial gears to drive the range of floor tools.

Engineered Design

- Exclusive WD™ Wheels Down detachable handle carriage
- Heavy-duty powder coated steel handle with 5-position pin-lock mount and vinyl grips
- 17" and 20" powder-coated steel brush covers with full wraparound bumper
- Private branding - 7 color plus chrome brush covers
- Dual steel operating triggers
- Negative pressure on/off switch
- 2" x 5" non-marking ball bearing wheels
- Optional add-on weights for XHD model

Safety Features

- Quiet 60 dB (HD) and 66 dB (XHD) operation. Meets GS42 standard.
- UL/CUL listed
