

## Polish Stone and Concrete Floors with a 1.5 HP Severe-Duty Floor

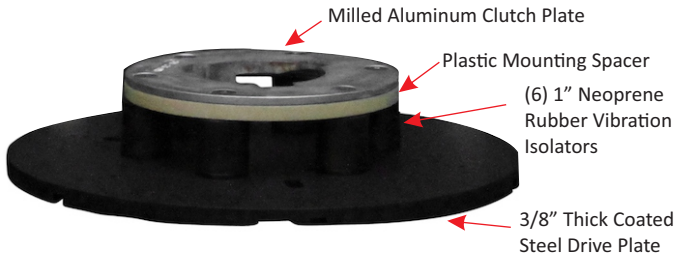

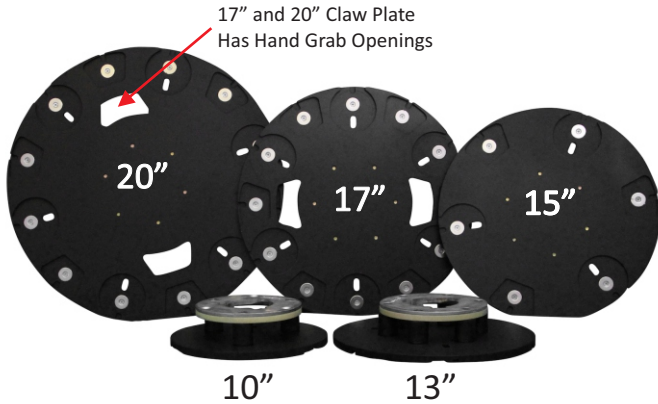

The Hawk CLAW Diamond Driver provides peak performance to the natural stone and concrete tradesman. The CLAW DPD is available in five sizes 10", 13", 15", 17", and 20". Allows you to drive multiple tools including; 3" round resin and metal, pin-sets, trapezoids, and PCD's all from one driver.

The weighted DPD plate is built from 3/8" plate steel and e-coated for corrosion resistance and easier clean up. Diamond tools are secured in place industrial magnets. 3" resin tools recesses secure diamond tooling on rough surfaces. Available adaptor plates make the Claw a quick-change driver for rapid movement from one grade tool to the next.

The 1.5" riser is made from neoprene rubber isolators for reduced vibration and flex over high points and lippage. Custom milled NP9200 Clutch Plated makes it usable on most rotary equipment.

### Engineered Design:

- 3/8" thick, steel plate construction. E-coated for corrosion resistance
- Built with our meticulously machined anti-seize aluminum clutch plate
- Round & trapezoid recesses secure diamond tooling on rough surfaces.
- Metal tools are held in place with the Hawk unique Mag-Lok System
- Resin tools are held in place with metal adaptor plates or Velcro mounting
- (6) 1" neoprene rubber isolator risers, plastic mount plate and aluminum clutch plate creates 1.5" total rise
- Custom milled aluminum NP9200 Universal Clutch Plate
- Built in hand holes for mounting of 17" & 20" sizes
- Available in five sizes from 10", 13", 15", 17", 20"
- Includes round and trapezoidal hole blanks to prevent debris buildup in recessed tool slots
- Optional 3" round velcro-type adaptor mounting plate

## Drives the Range of Diamond Tools

Specifications					
Model	Claw 10	Claw 13	Claw 15	Claw 17	Claw 20
Part #	#Claw10	#Claw13	#Claw15	#Claw17	#Claw20
Drive Plate Size	10"	12-5/8"	15"	16-5/8"	19-5/8"
Drive Plate Speed	165 RPM	165 RPM	165 RPM	165 RPM	165 RPM
3" Round Pad Load	3	3	3	6	6
Trapezoid Pad Load	0	3	3	6	6
Weight	11 lbs.	18 lbs.	25 lbs.	27 lbs.	39 lbs.
