

Portable Vacuum Cleaning

Includes Tool Kit
#HPV-Back-1.5L KIT

Carry vacuum cleaning power on your shoulders. The top fill design on the lightweight, compact HAWK Harrier Backpack Vac will prevent clogging so you can optimize your cleaning time.

The 6.5 quart tank capacity extends time. The large-area, triple-filtration design keeps dirt in the canister and out of the air. The ergonomic construction of the 10.5 lb. vacuum makes it ideal for cleaning in small and large areas.

Power

- 1-Stage motor with thermal protection
- 35 ft., (16-3) 2-piece commercial with cord lock

Engineered Design

- Roto-molded polyethylene housing is tough, durable and easy to clean. Lifetime housing warranty
- Lightweight - 10.5 lbs. machine reduces user fatigue
- Carry the backpack on your back with the comfortable harness and padded shoulder straps. Quick-lock adjustable strip fasteners make it easy to wear
- Exceptional filtration capability. The Harrier I captures fine particles and helps improve air quality
- 8 rubber feet for maximum, diffused air exhaust
- Use with the disposable paper filter bags (#HPVA005-3) or washable cloth filter (#HPV-BACK-CLTH-BAG)
- Complete tool kit includes flex hose, telescopic wand, round dusting brush, two-way flat floor tool for hard and soft floor, crevice tool and detail tool

Safety

- 72 dB quiet operation
- Built with UL Listed components
